To

The Principal/Manager,

All the School affiliated to Bhartiya Shiksha Board (BSB)

**Subject: Submission of Registration Data of Candidates for Class IX/XI
for the session 2025-26.**

Madam/Sir,

Registration of students in Class IX/XI is an incredibly significant process that helps BSB in advance planning for holding the Class X/XII examinations of these students in the forthcoming year. Another important aspect of registration is to communicate the students' personal particulars to the parents so that in case there is any mistake in the personal details of the student concerned the same may be corrected immediately. This helps in eliminating future problems. The registration process shall start as **per the schedule given at Annexure-A**. The registration of candidates will be done through the Google Form. The link of Google Form will be sent to the school through their E-mail.

As submission of the Registration Data **by adhering to the schedule is very important**, the schools are therefore requested to plan timely submission of data of the candidates. Apart from following the schedule, it is also important that the data filled in is absolutely correct.

Actions as given below are to be taken for registration of students on the Google Sheet link: -

1. There are many vital information without understanding the same, the schools will not be able to do registration correctly. It is therefore requested that a meeting be convened by the principal with the persons/ teachers assigned the responsibility to complete the registration. In this meeting, this circular be discussed in detail and after a proper understanding of the instructions, registration data be submitted.

4. All schools need to ensure that Bye-laws/rules of the BSB are being adhered to in letter and spirit for submission of the Registration data of the candidates, availability of classrooms, and the teachers. In a section 40 students are allowed, and the section teachers ratio is 1: 1.5. Further, the number of sections cannot exceed the number permitted by the Board.

However, section strength of up to 45 students per section has been permitted by the Board, on account of (i) transfer of the parents from one station to another the students are likely to join in a class in mid-session and (ii) students who fall under compartment category. However, this exception shall be available on a case-to-case basis for which the school shall apply to the Controller of Examination.

5. The Board is extending several exemptions/concessions to candidates with disabilities as defined in the "The Rights of Persons with Disabilities Act 2016" In this context, the schools may refer to the circular no. No. BSB/CE/CWSN/2024-25 dated 26.10.2024 and available on web-site of the Board.

The schools shall take all possible care to ensure that the correct name and date of birth have been entered. This may be informed to the parents.
7. Class IX/XI examinations must be conducted internally by the schools.
8. Schools shall have to upload the photographs of their bonafide students of Class IX/XI registration before final submission. The correct procedure for uploading the photographs is mentioned at **Annexure-B** enclosed with this letter.

10. Details of all students should be submitted only in one lot. Partial submission of data will not be allowed. This means thereby, in each slot only one list of the students will be accepted.

12. In the event of any difficulty, the concerned **Sh. Ganesh Kumar, Co-ordinator (Examination)**, may be contacted on his mobile no. 9910664355 and email id ganesh.kumar@bsb.org.in.

EFFORTS FOR CORRECT SUBMISSION OF DATA

13. It has been observed that students after passing Class X and Class XII are making requests to the BSB to make the corrections/changes in their personal data viz their name, date of birth, name of the mother's and father's and to issue revised educational documents. Their requests are found to be based on several excuses. These requests are quite difficult to accept by the schools as well as by the BSB as these could lead to the creation of a new identity which may lead to legal complications.

School will not change any record of any student available with the school, once his data has been submitted to BSB on the Google Sheet. Similarly, the data of students for class-XI shall be strictly as per their Class-X certificate and shall not be changed, once their data has been submitted to BSB on the Google Sheet, without the approval of BSB

Schools are required to brief guide the students about the importance of correct data and precautions to be taken by them while getting themselves registered in BSB in Class-IX. BSB is also making efforts and several checks are incorporated in the system so that the data of all the students is 100% correct and no request is received by the BSB for correction of data. The measures to be taken are

- (a) **Bring to the notice of the students that the correct data is to be provided for registration.**
- (b) **Registration details will be provided to the students and the parents in the form of a registration card by the school to confirm the correctness of the details.**
- (c) **The list of Candidates (LOC) will be based on the data provided in the registration record.**

h

- (d) Parents and students will sign the undertaking regarding correctness of registration and LOC data. Undertaking enclosed at Annexure-G for ready reference.
- (e) Undertaking about correctness of data on Admit Card by candidate and parent at Annexure-G.
- (f) An undertaking may be obtained from the parents about the correctness of the particulars being sent to BSB at Annexure-G.

Accordingly, schools are requested to guide the students and their parents in the following manner:

- (a) Students must give the expanded name of self and Father/Mother/ Guardian. It is advisable not to give abbreviations.
- (b) May check that their data is similar in all the documents like Date of Birth Certificate, School records, Aadhaar and Passport etc.
- (c) They will anticipate the requirement of the surname as when visiting abroad, it may be required by the visiting country to have both first name and Surname.
- (d) Their Date of Birth is as per the Date of Birth certificate and as per school record.
- (e) Students should describe their name in full i.e., no abbreviated form shall be given.
- (f) No salutations shall be added to the name(s).

While submitting data, schools will be responsible for ensuring the following:

The spelling of the name of the student/mother/father/Guardian is correct and is as per the Admission & Withdrawal Register maintained by the school. It may be ensured that the **full name of the candidate/mother's/father's/guardian's be filled in to avoid corrections in the future and avoid hardship to the candidate. Abbreviations should not be used.**

14. The date of Birth is correct and is as per the Admisssion & Withdrawal Register maintained by the school.
